DRESS REGULATIONS

While Carbrook is a relatively relaxed Golf Club, as a members owned facility it also retains some reasonable dress regulations.

These are:

ACCEPTABLE ATTIRE

- Neat, smart, casual wear is required at all times
- Designer Jeans and shorts
- Shirts without collars
- Shirts may be worn outside the waistband and must be at least short sleeved
- Covered footwear without socks and dress sandals whilst on course
- Uncovered footwear (eg thongs and sandals) are acceptable in the clubhouse.

UNACCEPTABLE ATTIRE

- Singlets or sleeveless shirts
- Shirts with inappropriate or offensive slogans
- Swimsuits or beach apparel

These standards are set for the betterment of the Club and it would be appreciated if you can adhere to these rules whilst at the Club.

Animals and Pets

Please note that animals and pets are not permitted on the golf club's property with the exception of assistance dogs.

HANDICAPPING

Carbrook Golf Club is committed to providing fair and equitable competitions where golfers play in accordance with the Rules of Golf and the Australian Handicap System.

The System is based on the assumption that every player will endeavour to make the best score they can at each hole in every round they play and that they will report every Eligible Score (as determined by Section 10) to their Home Club's Handicapping Authority, regardless of where the round was played. Players who fail to meet this requirement are effectively operating outside the System and, at the discretion of their club's Handicapping Authority, may have their GA Handicap re-assessed or withdrawn.

The Carbrook Golf Club's Match Committee is authorized by the Board of Directors to be the Handicapping Authority for the Club. The process for review is outlined in the Australian Handicap System which can be found on the Golf Australia website – golf.org.au

ETIQUETTE OF THE GAME OF GOLF

Members are asked to pay particular attention to the following paragraphs – they will add to the pleasure on the course of all concerned.

1. Check the Local Rules before you hit off.
2. Keep up with the group in front. If you fall one hole behind you **must** call the following players through without request. Should players in front fail to call you through in these circumstances you should **request** to play through.
3. Do not walk ahead of someone still to play but aim to position yourself and select your clubs before it is your turn to play. On the putting green repair plug marks and study the line of your putt before it is your turn to play.
4. Consider pulling the bag of the last player on the tee forward immediately after the player has played their shot. This can help save time.
5. Watch other players' shots and if there appears to be a possibility of a ball being hard to find, mark its position carefully and discuss your view of the probable position as you walk forward with the player.
6. Play a provisional ball when there is a chance that the ball may be lost.
7. Call following players through if they are waiting and your ball is not immediately found. A player may search for his ball for 5 minutes but waiting players must be called on to play through if it is your turn to play and your ball has not been found. Players who call through another match should, if convenient, play their next shot and walk forward

with the group called through. They should then not resume play until the players called through are out of range.

8. Finish putting out if you can without standing on another's line.
9. Pass the flagstick to another player before it is your turn to putt. There is no need for all players to stay near the hole while the last player finished putting. The player having the honour on the next tee should move towards the next tee and be ready to play.
10. Tell your marker clearly how many shots you took as you complete each hole. Never mark your card when it is your turn to play and do not hold up play by marking your card on the green.
11. Enter and leave bunkers at their low part and walk directly to your ball via the flat portion of the bunker. Smooth or rake all marks in a bunker and leave the rake in the centre parallel with the line of play.
12. **All** players **must** carry a sand bucket or dispenser and place sand in a divot mark.
13. Repair ball marks on the putting green, particularly your own, and repair spike damage after putting out.
14. Move briskly between shots and stay aware of your responsibilities to other players in the field.
15. If you are falling behind you can progress much more quickly if the first player who finishes the hole hits off first at the next.
16. All mobile phones must be switched to silent and used only when absolutely necessary – the Match Committee strongly discourages the use of mobile phones on the golf course.

POLICY ON VISITORS AND INELIGIBLE MEMBERS PLAYING ON SATURDAYS

The timesheets will open as per normal (2 weeks prior) and will be restricted to those categories of members who are eligible for Saturdays.

Full members can access the timesheet at 5am 2 weeks prior.

Intermediate 2 members will have a 1 hour delay in accessing the timesheet.

From 1:00pm on the Wednesday (3 days) prior to the Saturday competition the timesheet will become available for other golfers to book. These other golfers include:

- Members of Carbrook not otherwise eligible for Saturday play and who hold a GA Handicap
- Guests of members who hold membership of a recognised golf club and a GA Handicap
- Visitors who hold membership of a recognised golf club and a GA Handicap

The cost to play in the competition including the green fee is:

- Members (non Saturday) and Members Guests - \$40
- Visitors - \$49

Only members *eligible for Saturday* play are able to win the competition.

Please note - the holding of a place using a member's name who has no intention of playing and subsequently substituting a visitor after 1pm on the Wednesday is forbidden.

LATE CANCELLATION AND NO SHOW POLICY

As a courtesy to fellow members and the professional staff who start the fields it is expected that when a member is unable to make their booking that they provide at least 30 minutes notice of their cancellation. Due to an increase in the number of members failing to show for their tee time, or providing very little notice of their cancellation the following policy will apply.

For members failing to show for their tee time or providing less than 30 minutes notice of their cancellation, within any 3 month period:

1st occurrence – no penalty

2nd occurrence – member will be advised verbally of their failure and will be reminded of the policy.

3rd occurrence – member will be advised in writing and will not be eligible to play for 1 week from the breach.

4th occurrence - member will be advised in writing and will not be eligible to play for 2 weeks from the breach.

Further occurrences within a three month period will be referred to the Board of Directors for consideration and possible suspension of membership rights.

While it is understood that members will make bookings for other members, it still remains the individual member's responsibility to know their own bookings and cancel at least 30 minutes prior to their tee time, should they not be able to attend. To cancel on the day of the event Members must phone the pro shop as the timesheets become locked for editing at midnight prior.

MEMBERS GUEST POLICY

This policy provides guidance to the staff and members when a member brings a guest to the Club.

Definition

A Member's Guest is a visitor that plays with a member in the same group. A member may bring up to 3 Member's Guests with them on any one day and they must remain with the Member throughout their round.

Additional visitors not playing in the same group as a Member's Guest will be charged at the visitor's rate.

Payment of fees

A Member's Guest will receive a discount on their green fees. See the Green Fee schedule for actual rates each day.

Responsibility of the Member

The member must ensure that the Member's Guests adhere to the Club's policies including but not limited to course care, pace of play, dress standards, BYO alcohol.

CHILDREN ON THE GOLF COURSE POLICY

The Carbrook Golf Club is very encouraging of children within the club with members and visitors permitted to have their children accompany them on the golf course whilst they play. To ensure that the children are safe and everyone enjoys their experience at the club members and visitors are asked to respect the following:

- Children 14 years and under must be supervised by an adult at all times when they are at the club.
- Children must remain safe and free from danger at all times
- Supervising/ Responsible adults must ensure that the children's behaviour is appropriate for a golf course
- The children's behaviour should not impact on the experience of others
- Children must in no circumstances drive or be in control of a motorised cart

Carbrook Golf Club values the safety of children. Should a member or guest be found not adhering to this policy they may face disciplinary action from the Board.

PACE OF PLAY POLICY

Due to extensive member feedback and in accordance with the Rules of Golf (Rule 6.7) this Pace of Play Policy has been established on the following principles:

- All players (not just the lowest marker) are responsible for the speed of play of their group
- All players are required to be on the tee 5 minutes prior to your tee time
- 4 hours and 20 minutes is the required **maximum** time for a group to complete 18 holes
- Over 4 hours and 30 minutes is an unacceptable period of time to complete 18 holes of golf

Therefore, penalties may be applied to the first group in a competition field that takes more than 4 hours and 30 minutes to complete their round of golf. The Match Committee will consider all contributing factors and may apply these penalties as follows:

1. On the first occasion each player may be sent a letter advising them of their first official warning for slow play.
2. On the second occasion in a four month period that player/s may be restricted to being able to only book in one of the last two tee times of the morning or afternoon fields for the following two week's of competitions.
3. On the third occasion in a four month period that player/s may be suspended from playing in a competition timeslot for one week.

STRATEGIES TO ACHIEVE A GOOD PACE OF PLAY

Strategies to assist players in achieving an acceptable Pace of Play include:

- Check-in at least 10 minutes prior to your tee time.
- Be on the tee 5 minutes prior to your tee time.
- Every player is responsible for the speed of play of their group.
- Always endeavour to keep up with the group in front of you.
- Move quickly between shots and be ready to play when it is your turn.
- If you are behind, abandon the “Honour” system and the furthest from the hole hits first rule and adopt the procedure where, if it can be done safely, the person who is ready hits, even if he is further up the fairway, **providing it is safe to do so**. On the tee, shorter hitters hit first. Longer hitters hit last.
- Play a provisional ball if there is some doubt to where your ball finished.
- Leave buggies on the side of the green nearest the access to the next tee.
- Line up your putt and get set to putt while other players are putting without breach of etiquette.
- Putt out whenever possible (except in matchplay).
- If you “have the honour” on the next tee, hit first and then mark your scorecard.
- Mark your scorecard on the next tee while others are teeing off.
- In other than Stroke competitions, pick up your ball when you cannot score.

- If you lose a ball and or fall behind, play your next few shots as soon as it is safe to do so.
- If asked to ‘catch-up” to the group in front by Club Official a group has 2 holes to achieve their correct position in the field.

Please follow these timing checkpoints during your round:

- (a) complete the first 6 holes in 1 hour 25 minutes
- (b) complete the front 9 holes in 2 hours 10 minutes
- (c) complete the first 15 holes in 3 hours 35 minutes
- (d) complete the 18 holes in 4 hours 20 minutes

Please do **not**:

- mark score cards on the green.
- take an excessive number of practice swings.
- replay putts.

GUIDELINES FOR THE SUSPENSION/CANCELLATION OF PLAY

INTRODUCTION

Situations will arise from time to time where weather conditions will make the golf course and practice facilities unusable on a temporary basis or for a more extended period of time.

The golf course would be considered unusable if:

- a. The surface of one or more putting greens are covered by sufficient surface water to as to make putting impractical.
- b. Continuous play on the golf course/practice facilities would cause unacceptable damage to the playing surfaces.
- c. Electrical storm activity (lightning) in the area is a potential danger to golfers.
- d. Player safety is compromised due to extreme heat in excess of 40 degrees Celcius

SUSPENSION OF PLAY

Play will be suspended if one or more of the conditions set out in paragraph 2 above applies but there is every likelihood that:

- a. Conditions will improve to the extent that the golf course/practice facilities are once again considered playable/usable, or
- b. The danger posed by electrical storm activity is no longer present.

- c. Suspension of play due to extreme heat (greater than 40 degrees) is optional for each player. Should they choose to suspend play they may recommence at a time where they feel the heat no longer poses a risk.

CANCELLATION OF PLAY

Cancellation of play is considered a last resort. Wherever possible play will be suspended until such time as conditions improve sufficiently for play to continue.

Where cancellation of play occurs on a competition day, the following will apply:

- a. Provided that at least 50% of those who started their round have completed their round at the time of cancellation, the competition of the day will stand.
- b. Those players who have commenced but not completed their round when play is cancelled will be awarded an NCR (approved) for handicapping purposes. The competition fee will not be refunded.
- c. Those players who have entered the competition but not commenced their round when play is cancelled will be awarded an NCR (approved) for handicapping purposes. On request their Competition Fee may be refunded/credited.

PROCEDURE FOR THE SUSPENSION OR CANCELLATION OF PLAY

The decision to suspend play will be taken by the General Manager the Captain, any Match Committee member or the Pro Shop Staff.

Suspension of play due to the course being unplayable (greens unusable), will be the result of a revised inspection and an assessment of the likely duration of the prevailing conditions.

The procedure for dealing with electrical storm activity or extreme heat conditions normally involves a longer lead time and will require:

- a. Routine monitoring of weather forecasts for the local area to identify any storm activity which could pose a threat to those on the golf course.
- b. Timely advice to players on the golf course that extreme heat or electrical storm activity is approaching. That advice will be in the form of the warnings issued by the Queensland Bureau of Meteorology and will indicate:
 - Direction of approach of the storm system
 - Estimated time of arrival in the local area (information obtained from weather bureau sources)
 - Predicted temperatures for the day

Having received that advice **the decision as to whether to continue to play or not, rests with the individual.** It should be noted that a player who fears for their safety or health may discontinue play at any time and may leave the course or take cover prior to the Committee's official suspension.

PROCEDURE FOR RESUMPTION OF PLAY

Once the conditions which caused play to be suspended are no longer present and the golf course is considered suitable for

play, an announcement to that effect will be made using the public address system and an air horn will signal the resumption of play.

AIRHORN SIGNALS

Immediate Suspension of Play due to a dangerous situation:

1 long blast of the air raid siren & announcement over the PA System

Suspension of Play due to the course becoming unplayable:

Announcement over the PA system and advice to player on course

Resumption of play:

1 long blast of the air raid siren & announcement over the PA System

Members please note that

**No BYO.
We are a
licensed
establishment
only.**

MOTORISED GOLF CART POLICY

The Board of Directors has a strong focus on the condition of the golf course and to continue the improvement of the playing surfaces it has developed this policy.

All users of a motorised golf carts, whether private or club owned, at Carbrook Golf Club must to abide by these terms and conditions of use:

- Carts **must** only be driven by someone who holds a current and valid driver's license
- Carts **must** be driven with due care and attention at all times
- Carts **must** remain at least 10 metres from all greens
- Carts **must** remain on paths where provided (eg. Near tees)
- Carts **must** follow all directional signage including blue lines where provided

Please note that multiple offenders of this policy will result in disciplinary action from the Board of Directors. Thank you for your co-operation.

BREACHES OF THE MOTORISED GOLF CART POLICY

Should a member or visitor to the club not adhere to this policy the following process will be followed:

1. **1st breach** – a friendly reminder of the policy by staff member or Board member. Photographic evidence may be kept as evidence.
2. **2nd breach** – after a second breach the member will receive a phone call from the General Manager re-iterating the Club's policy and followed up with a letter.
3. **3rd breach** – following a third breach the member should expect to receive a letter requesting that the member meet with the Board of Directors to explain the reasons for their breaches of this policy. A penalty may be imposed.

GOLF COMPETITIONS AND HOW THEY ARE PLAYED

These notes are only intended to assist in the general concept of how various competitions are played. They must be read in conjunction with the Rules of Golf and in particular the Committee shall lay down the conditions under which a competition is to be played (Rule 33.)

STROKE (Medal)

The score at each hole is entered on the scorecard, totalled and the player's full handicap deducted. The player who completes the stipulated round in the fewest nett strokes will be the winner.

PAR

In Par play the score is entered on the card in the same way as in stroke play with the exception that where the score exceeds par for the hole, after allowing the handicap stroke (if the player is in receipt of one) the score need not be written in.

It is the custom that when a player is beaten by Par, the ball shall be picked up. This helps speed up play.

After entering the stroke score on the card, the result is marked in the column provided with "+" sign for a win, a "0" for a half and "-" for a loss. At the end of the round the plus and minus signs are added and the nett result written in as so many "up", "down" or "all square".

A player is allowed his full stroke handicap and the strokes are taken at holes as indicted on the card. Where the handicap is more than 18, two strokes will be allowed on the number of

holes that the handicap exceeds 18. These strokes will be taken as indicated on the card.

STABLEFORD

This system of scoring by points was introduced by Dr. Stableford of the Liverpool Golf Club in 1931 and has become very popular.

The popular method of playing a Stableford competition is for the player to take strokes at holes in a Par competition using handicap and to score points on the nett result at each hole. At the end of the round all points scored are added up and the player having the highest number of points is the winner.

In scoring, after allowing for handicaps, a player who scores par receives 2 points for 1 over par – 1 point for a birdie or 1 under par – 3 points for an eagle or 2 under par – 4 points, and so on. For example, a player receiving a stroke on par 4 holes scores 4 giving him a nett 3 for this he receives 3 points. A player at a par 3 hole scores a 4 but does not receive a stroke, for this he would receive 1 point.

FOUR BALL STABLEFORD

Played in exactly the same manner as above except that the better ball of the partnership will be credited with points instead of plus, half or minus.

FOURSOMES

Two players play as partners and use one ball. The partners strike off alternately from the tee and thereafter strike the ball alternately during the play at each hole. Scoring is done as for a stroke round and the total is subject to a deduction of half and

partners' aggregate handicaps.

NOTE: If either player incurs a penalty stroke it does not alter the rotation of play. In a foursome stroke play competition, which consists of more than one stipulated round the order of play may be changed between rounds unless the committee has laid down as a condition of play that the original order of play must be preserved throughout the competition.

All the foregoing competitions are forms of stroke play and subject to the Rules governing stroke play. Special rules for par and stableford competitions are set out in Rule 32. Rule 31 covers the special rules for four-ball par and stableford competitions. Foursomes may be played under either stroke play rules or match play conditions and Rule 29 is relevant to foursome events.

In addition to the competition listed above many clubs conducts competitions which are not specifically covered in the Rules of Golf.

Some of the more popular types of play are listed below together with suggestions regarding methods of conducting these events.

It cannot be too strongly emphasised however, that since these competitions are not covered by the Rules of Golf, the committee must carefully lay down in advance and publish the condition of play. The State Association, will not, except in the most exceptional circumstances give a decision on any query submitted, when play is conducted otherwise than in accordance with the rules.

MIXED FOURSOMES

Mixed foursomes are played in the same manner as foursomes except that the ladies use their own tees and observe their own local rules when it is their turn to play.

The Committee should lay down as a condition of play whether the male or female is required to play from the first tee, and in competitions played under stroke conditions, and consisting of more than one stipulated round, whether this order is to be preserved.

CANADIAN FOURSOMES

Played as above except that both players play tee shots at every hole and afterwards continue with whatever ball they nominate.

AMERICAN FOURSOMES

Both players play tee shots at each hole, then a second stroke with their partner's ball. One ball is then selected and play proceeds as in foursomes with the owner of the ball selected playing the third stroke. Handicap allowance is $\frac{1}{2}$ of aggregated stroke handicap for stroke competitions. This event is sometimes called "Pinehurst Foursomes".

ECLECTIC

Competitors play two or more rounds and the eclectic score is the lowest score obtained at each hole on the rounds. Sometimes the competition extends over the whole season and the total score for the holes is subject to deduction of $\frac{3}{4}$ the player's handicap held on the first day of competition.

4 BALL AMBROSE – RULES OF PLAY – CARBROOK GOLF CLUB

TEE SHOTS

EACH player must use at least 2 of their tee shots, the scorer must RECORD on each hole whose tee shot was used.

ON THE FAIRWAY

- The selected ball should be marked
- Other balls PLACED within one club length of the selected ball, no nearer to the hole
- Any order of play

OFF THE FAIRWAY

- The selected ball should be marked
- Other balls PLACED within one club length of the selected ball, no nearer to the hole
- **And played from the SAME CONDITIONS as the selected ball ie hazard, rough, bunker**
- Any order of play

ON THE PUTTING GREEN

- The selected ball should be MARKED
- Other balls to be putted from within ONE CARD LENGTH either side of the selected ball, no nearer to the hole
- In the interests of speeding up play any player may tap in to obtain the optimum score. Other players may then putt only while there is an opportunity to better the score.

4 BALL GENTSOMES AMBROSE RULES

Modified Ambrose/ Best 3 out of 4 Stableford

1. All players hit the ball from the Tee. As in a normal Ambrose event, the best ball is selected. All players place their ball within 1 club length of where the original ball lay. If the chosen ball is in the rough or a hazard, then the other balls are to be placed in the same condition.
2. If the selected drive is on the putting green (eg Par 3s) then the players must place their balls within one card length of the selected drive.
3. From this point on, all players play out the hole as per a normal individual Stableford round.
4. A minimum of 3 drives per player must be taken and a maximum of 6 per player (mark card in "Drives Column" to identify selected drive).
5. At the completion of each hole, the aggregate of the best 3 out of 4 Stableford scores of each hole are recorded which gives you a team score for each hole. Individual scores can be recorded in the "Other Information" column but are not compulsory.
6. For groups of 3, they will have a virtual fourth golfer who contributes 2 points per hole.
7. The team with the most number of points is the winner.

3 BALL STARBROSE

TEAMS

This event is played in teams of 3.

FORMAT

Each player tees off and the preferred ball is selected (as in an ambrose). From this position all balls are placed within one clublength (unless on the putting green where it is from the same position). The ball must be placed within the same condition (eg. Bunker, rough, fairway). All players then play their own ball into the hole.

SCORING

All scores will be converted to Stableford points. The aggregate of the 3 individual 18 hole scores will be the team's score.

HANDICAPS

For holes 1-3, 10-12 the lowest handicap of the three players will be used by all players.

For holes 4-6, 13-15 the second lowest handicap of the three players will be used by all players.

For holes 7-9, 16 – 18 the highest handicap of the three players will be used by all players.

DRIVES

Each player must contribute a minimum of three drives through the round.

Note – The Committee can stipulate a different number of drives and will advise each player.

FIXTURE PROGRAMME

BEFORE PLAY

- Members are requested to arrange competition times by booking on the computerised time sheet before the day of competition.
- On Competition days, players should register at least 15 minutes prior to hit-off times. The club professional is authorised to amend time-sheet bookings if circumstances so require.
- Players should read the local rules board prior to the commencement of every competition.

AFTER PLAY

- Members must enter their scores into the computer in the Clubhouse, or next to the Pro Shop when competing in any Competition and then place their scorecard in the scorecard box.
- Cards not returned within 30 minutes of the players round may be deemed as No Score Not Approved (NCR).

Championship Handbook – New for 2019

Conditions governing play of all Championship Events can be found in the Club's Championship Handbook. This can be downloaded from the Club's website (under the members tab) or on request from the Club's Administration Office.

Other events

SHARK LAKE CHALLENGE

The Shark Lake Challenge is played on the last Wednesday of every month (unless otherwise listed). This event is a feature of the monthly golfing calendar and is designed to provide the ultimate test to each golfer as the course is set up off the back blue tees (white tees for women) to pin positions high in difficulty. This event is open to all golfers with a current Australian Handicap. Players returning a nett score of better than par (using their daily course handicap) will receive a Shark Lake Challenge Shirt.

SHARK SHOOTOUT

In each Shark Lake Challenge from January to December players will earn points towards the Shark Shootout Order of Merit. Points will be allocated in a similar method to the PGA Tour Fedex Cup and as follows.

1 st – 500	2 nd – 300	3 rd – 200	4 th – 175
5 th – 150	6 th – 100	7 th – 90	8 th – 85
9 th – 80	10 th – 75	11 th – 70	12 th – 65
13 th – 60	14 th – 57	15 th – 56	16 th – 55
17 th – 54	One point less until 70 th place which earns 1 point		

The leading 30 players after the December Shark Lake Challenge will qualify for the Shark Shootout to be held in conjunction with the following January Shark Lake Challenge. Extra special prizes will be on offer for the Shark Shootout Overall Champion with the lowest nett score in the January event.

MONTHLY MEDAL

On the first Saturday of each month, unless otherwise specified the leading player in each grade will be issued with a Monthly Medal.

MONTHLY MUG

On the second Wednesday of each month (unless specified), the leading stableford score by a member will be awarded the Monthly Mug.

MEDAL OF MEDALS

The Medal of Medallists will be held in conjunction with the December Monthly Medal. Each Medal winner (both male and female) for the Calendar year including December of the previous year will be eligible for this event. The lowest nett Stroke score by an eligible player will be declared the winner.

PELICANS NEST (SATURDAYS)

Each Saturday 50 cents of the competition fees contribute towards the Pelican's Nest. This special prize is awarded to the nearest approach (2nd shot) on the 1st hole. 60% of the pool will be credited to the winner each week in the form of Loyalty Points. The other 40% of the pool will jackpot each week until a player hits the ball within 50cm of the hole. This person will win the total for the week (60% of the daily pool) plus the jackpot amount to a limit of \$250 (25000 points).

TROPHIES & PRIZES

Generally the club will issue prizes in the form of loyalty points to players. These can be accessed by presenting your membership card at the point of sale outlets in the club. Unless otherwise indicated and excluding nearest the pins, competitors are not eligible to win more than one trophy in each event.

GRADES AND DIVISIONS

When the field is graded the following Men's Grades will apply:

SINGLE EVENTS (SATURDAYS)

A Grade: 0 – 11

B Grade: 12 – 17

C Grade: 18 – 36

SINGLE EVENTS

(NORMAL WEDNESDAYS WHEN FIELD EXCEEDS 80 PLAYERS)

Division 1: 0 – 18

CONDITIONS OF PLAY

The committee reserves the right to alter or amend the programme Conditions of Play, as deemed necessary. Ladies who hold ordinary membership may enter and win all events.

Starting times: Computerised booking sheets are available over the internet or through the Pro Shop. Competitors should report to the starter 15 minutes before hit off time. Decisions of the Committee will be final Rule 34-3. If you are unable to play, please have the courtesy to ring the Pro Shop at least half an hour in advance.

COMPETITION FIELDS

TUESDAY

- Monthly Medal will be played in one division from **Red Tees** only (exception: two divisions if over 35 players)
- Individual Events less than 8 players, ball competition only
8 – 35 players – 1 division
36 + – 2 divisions
Divisions will be equally divided on the day of play
- 2,3,4 Ball Ambrose, Four-Ball Events all to be played in one division.
- All Ambrose events will be conducted in accordance with 4 Ball Ambrose rules of play as set out in Members section of this book.
- Eclectic to be conducted from 5th February – 22nd October only in single events. Half the current handicap on the last day of competition will be used for the final nett result
- Putting Competitions will be held in the 3 rounds of the Club Championships. Marker's decision is final for

borderline putts. In the event of a tie a count back will determine the result.

- Gobblers may be achieved in all events except Ambrose and Foursomes. They are to be entered in the book and signed by the marker.
- Gobblers Nest: As above but a hole will be drawn out each week if not struck it will continue until struck.

GENERAL CONDITIONS

1. On drawn rounds, no alteration is to be made to the time sheet without the permission of the Captain/ Committee.
2. No professional golfer is permitted to caddy in any event.
3. In Match Play events, a referee will be appointed for final round and any rounds if requested. All matches are to be played by the allocated dates.
4. A tied competition will be decided by the Australian Count-back system.
5. Play offs will decide the winners of gross in all grades in club championships and foursome championships, and other events where stipulated in the individual Conditions of Play of that event.
6. *Ride on motorised buggies are permitted in all our honour board events

PLAYERS RESPONSIBILITY

Each competitor holds a position of trust in respect to the whole field of players. It is her duty not only to play the game, but to see that her partner and fellow competitors play the game strictly in accordance with the Rules of Golf (and the local rules), that the scores are correctly marked and that the Etiquette of Golf is observed.
